

Fairview Chamber Fast Facts

Mission Statement: The Fairview Chamber of Commerce is established to promote business, stimulate economic development, and strengthen our community.

Who We Are: Members of the Business Community in and around Fairview, An organization that can meet its greatest potential with the perspective and support of all area business people.

What We Do: Promote Business; we put business names, logos, products and services in front of the Fairview community through online promotion and acknowledgement by creating networking opportunities within the business sector through direct sales, connections and sponsorship opportunities at excellent and well-attended community events: Nature Fest, Veterans Day celebration, Fairview Christmas Parade

Stimulate Economic Development

- We create awareness of the benefits Fairview offers new businesses and those looking to grow or relocate
- We network with other Chambers and Economic Development organizations in Tennessee. We develop outstanding promotional materials such as our Nature Fest promo video and our Fairview promo video (both available on the Chamber Facebook page)
- We work to develop a strong relationship between the Chamber – representing the collective interests of businesses in Fairview – and the City of Fairview.

Strengthen Our Community

- Through our commitment to excellence in facilitating 3 large annual events in Fairview Nature Fest, a family-friendly event with attendance of 4,000-6,000 held at beautiful Bowie Park each September a Veterans Day celebration including a parade, public addresses by the Mayor and members of Fairview's Veteran community, and a deeply meaningful military ceremony by the Fairview High JROTC the Fairview Christmas Parade, because what family-oriented community doesn't want a special holiday event, and because we can't imagine Fairview without it! Through our commitment to give back to our community with financial support of: Fairview's award-winning JROTC program Friends of Bowie Park Set Free Nashville by awarding several thousand dollars in scholarships each May to area high school graduates

What We Need: Your voice, your perspective, your support. A non-profit, the Chamber is funded through Membership Dues and limited Event Income which collectively fall short of annual operating expenses. If you perceive benefit to your business from Chamber networking and promotional or marketing opportunities, or if you find value in our community efforts and initiatives, please consider supporting the Chamber through membership and event sponsorships. Thank you!

Dear Nature Fest Friend,

This is an exciting year for the Fairview Chamber of Commerce as we plan for the 35th annual Nature Fest, coming to the beautiful, 700 acre Bowie Nature Park on Saturday, September 14th, 2019. As West Williamson County's largest regional event, we provide Fairview residents and visitors from all over the southeast a unique and exciting day to enjoy nature at its best.

Nature Fest's success depends on the generosity of our Nature Fest friends. Proceeds from the event help fund our scholarships for the local Fairview High School students and our general operating fund. Nature Fest also offers a Fundraising platform for local non-profits such as Friends of Bowie Park and Boy Scout Troop 297. There are many ways that you can sponsor Nature Fest and we are happy to help create a custom sponsorship or you can choose from one of the options below. Please see our attached page for the items included in each sponsorship level.
